

IMPORTANT: This document contains your **U.S. Department of Education PIN**. This PIN will give you access to your personal information in various U.S. Department of Education systems over the Internet. For some applications, it will serve as your electronic signature. You may be able to use this PIN to:

- ⇒ Access, complete, and electronically sign your Free Application for Federal Student Aid (FAFSA) or Renewal FAFSA.
- ⇒ View the status and results of your processed FAFSA.
- ⇒ Make corrections to your Student Aid Report (SAR).
- ⇒ View a history of any Federal student aid you received.
- ⇒ View your Access America Student Account (if your school is participating in the Access America for Students pilot).
- ⇒ Make address corrections to your Direct Loan account, calculate a repayment schedule, and get interactive counseling on deferment or forbearance for any Direct Loans you have.

When you use your PIN, you must type it exactly as it appears on this letter.

Because your PIN serves as your electronic signature and provides access to your personal records, you should never give your PIN to anyone. Be sure to keep your PIN in a safe place; you will be able to use the same PIN in the future to apply electronically for student aid and access your U.S. Department of Education records.
